Parole Officer
How was work today?

She
How the hell did you get in here?

Parole Officer
I'm the one who asks the questions. I
don't answer them.

She
Fuck me, snoopy. You gotta give me a
break.

Parole Officer
You look terrible.

She
Yeah.

Parole Officer
What's going on?

She
I'm gonna tell you the truth.
(BEAT)
I'm in trouble. I'm dirty.

Parole Officer
You wanna get clean?

She
Yes.

Parole Officer
You want inpatient?

She
No, I want outpatient.

Parole Officer
Well, come on...

She
I have to keep this job.

Parole Officer
Inpatient, or jail.

She
The job is the only thing I have, please,
please.

Parole Officer
Inpatient, or prison.

She
Please, let me keep this job.
Please, please, please, I lost my
daughter, there's no other way I can get
her back.

Parole Officer
Inpatient or prison. Your choice.

She
Christ!!

Parole Officer
Yeah, I don't get you. You wanna get
clean, you don't wanna do the work. You
want your daughter, but you don't want
to do the work.
(BEAT)
I wish it could be some other way, but at
this point, you do not qualify for
outpatient. Take the weekend, think it
over, say goodbye to your family. Report
to me Monday morning at 8:00 and I will
take you down. If I don't see you, I will
issue a warrant for your arrest.
