

**TRULY MADLY DEEPLY 3 - 1 (GK)**

SHE

Hello. i'm home. I love you.

HE

Where have you been?

SHE

Nowhere. Nowhere. Work.

HE

It's so late.

SHE

I know. I'm sorry.

HE

I got worried.

SHE

Sorry.

HE

Just like old times, huh? Is there something you want to tell me?

SHE

I have this feeling that you are with me.... are you with me all day?

HE

No.

SHE

I think of you as being on my shoulder, and if you are, then you know I'm like someone who carries their loved one around on their shoulder.... if that's what you were asking.

**TRULY MADLY 3 - 2**

HE

I'm not, but thank you.

SHE

Where is the television... and the VCR?

HE

Oh, I put them in our bedroom 'cause people couldn't get comfortable in here - it's so cold in the evenings - and I wanted to play my cello. Don't worry. They'll move when we want to go to bed. It's no problem. Don't get frazzled.

SHE

Oh, please.

HE

Nina, you can't come home in the middle of the night and then complain because I've got company.

SHE

It's not the middle of the night! I don't know these people. I don't.... I don't even know what period they're from. This is ridiculous.

HE

Well, you could try talking to them.

SHE

I can't believe this is happening. I've got ghosts watching videos in MY bedroom and I'm being accused of... what? What am I being accused of? Jamie, they are dead people! The rats have all gone and now I'm infested with ghosts.

### TRULY MADLY DEEPLY 3 - 3

HE

There are eight or nine people in there. They are not doing you any harm. If you want to go to bed, they'll go. Just tell them. (PAUSE) If you want me to go. Just tell me.

SHE

And why are they all men? ... I don't want you to go, darling. I don't want you to go. I don't know what I want. Anyway, I bought you a hot water bottle. Do you want it?

HE

Thanks. It's great!

SHE

I mean, why can't you just go back to heaven while I'm at work?

HE

I don't know. It's like you make a choice and then you.... I don't know. I'm here. It's fine. It is fine. I love you.
