

SEXUAL HARASSMENT 1

By Irwin Barker. Class use only.

HE

Hello, Miss Wilson?

SHE

Yes, can I help you?

HE

I'm Fred Logan from the Steering Committee on Sexual Harassment. I called to say I'd be dropping by.

SHE

Oh yes, I remember.

HE

Basically I've been taking some time to talk to employees personally to explain some of our new policies and to find out whether you have any questions or concerns about sexual harassment here at Multi-Tech.

SHE

I've been here for three years and there have been no problems like that. It's a great place to work.

HE

Harassment can be very awkward for the victim. It can be embarrassing and people don't like to talk about it.

SHE

I haven't had any problems here at all.

HE

Miss Wilson... Can I call you Amanda? Sometimes victims of sexual harassment are afraid to say anything. They're afraid of repercussions.

SHE

We have a really good working environment here, everyone gets along great.

SEXUAL HARASSMENT 2

HE

C'mon, a nice looking lady like you, and nobody's ever hit on you?

SHE

Never.

HE

In last Wednesday's seminar you were wearing a short leather skirt. I can't believe no-one has ever commented on what is obviously a very shapely figure.

SHE

No, never.

HE

I find that bewildering, to be honest.

SHE

Well, I do get the odd compliment from a few of the guys if I have a new outfit. "You look nice today", that sort of thing.

HE

I'm sure your husband doesn't appreciate these perverts gawking at you.

SHE

I'm not married.

HE

Well, boyfriend, then.

SHE

I'm single.

HE

You live alone?

SHE

I have a cat.

SEXUAL HARASSMENT 3

HE

Well, Amanda. All I'm saying is that you don't need these scumbags leering at you when you're trying to work. That's why we have a sexual harassment policy. Have you ever thought of transferring out of accounts receivable?

SHE

I like it here.

HE

Have you ever thought about looking at some other opportunities inside the company. I know we could use a pretty face in the sexual harassment office.

SHE

I don't have any experience in human resources.

HE

That's no problem. We have an employment equity policy that requires us to promote more women.

SHE

I really don't know. I'd have to think about it.

HE

Look, Amanda. Are you interested in getting ahead or not?

SHE

Well, I am, but I'm not sure that's the right job for me.

HE

Hey, ever since I walked in here you've been giving me the look.

SHE

The look?

HE

I've been in this business a long time. I know the look. Don't act coy.

SEXUAL HARASSMENT 4

SHE

Mr. Logan, if there's been a misunderstanding...

HE

I've a good mind to write up a Form B-19 on you. There's too much of this sexual harassment where women are coming on to an honest guy just doing his job.

SHE

You can't put a sexual harassment charge on my record.

HE

Nobody wants a B-19 on their record. But I can write them up whenever I want. I can rip them up, too. I guess it depends on you.

SHE

Okay, I'll consider a transfer.

HE

See, you're not just pretty, you're smart. I'm delivering a seminar on respectful workplace policies in our Calgary office next week and it would be great to have a... personal assistant, along with me. We can stay at The Palliser.

SHE

And you'd forget about the Form B-19?

HE

B-19? Hey, it's getting fuzzy already.

SHE

I guess if I went along with you to the seminar, it could help me learn a lot about sexual harassment.

HE

Well, I am the expert.
