EXT. BRIDGES RESTAURANT

Amy arrives.

INT. BRIDGES RESTAURANT - BIGFOOT'S TABLE

Bigfoot sits at a table.

Amy looks around the room. The WAITER follows close behind.

WAITER
Your table, madam.

Amy pauses. She gulps.

AMY
Uh, uh...

Bigfoot in Love

BIGFOOT

Amy...?

Amy
Oh My god , oh my god, oh god

BIGFOOT

No, no, Amy, Amy. It's me. Alan.

She starts to calm down.

AMY

I'm dating Bigfoot?~

What in the hell? Who's my next
date? The Loch Ness Monster? The
Chupacabra?

WAITER

The Yeti?

Amy stares at the waiter and then back at Bigfoot.

She clears her throat.

AMY

Im sorry..Just give me sec

(she leaves)

BIGFOOT

I blew it! What'll Dad say? "I told
you so." Now I'll never get a date.

Amy returns.

AMY

Alan?

BIGFOOT

I know.

AMY

I just wanted to say... I'm sorry.

BIGFOOT

You... what?

AMY

Mind if I call you Bigfoot?

BIGFOOT

You're not the only one.

WAITER

Are you two lovebirds ready to order?

BIGFOOT

What goes great with Burgundy?

WAITER

Steak, sir.

AMY

I'll have the same.

The waiter takes their menus.

WAITER

Excellent choices.

AMY

So, um, Bigfoot...

AMY

Tell me a little about yourself.

BIGFOOT

I'm a big outdoors-man and like hanging out in the woods in the nude, but I guess you knew that.

BIGFOOT

But don't believe everything you read. I'm quite civilized. I'm an avid reader. I sometimes golf. I don't hibernate in the winter.

AMY

I only hibernate till noon.

BIGFOOT

Oh, I'm sorry.

AMY

You've got a cute snort.

BIGFOOT

You think so?

AMY

What size shoes do you wear?

BIGFOOT

Bigger than Shaq.

AMY

You know, I think you are
someone I really like to get
to know

BIGFOOT

Thanks, I know I stumble over
my own feet sometimes, and my
own mouth

Amy

You are not my type, but there is
something very attractive about you

BIGFOOT

Thank you. But you dont need to
to say things to make me feel
better about myself. I have
heard it all, and I have
accepted my fine attributes (He
smiks)

AMY

You know what? They are fine attributes
and I wouldn't change a thing. I am
having a really good time tonight

BIGFOOT

So am I. Would you like to go for a
second date

Amy

I was hoping you would ask
that.
