

REUBEN, REUBEN 1 - 1

HE

She's picking me up at sevenish. She has a lovely voice. Does she have the breasts to go with it?

SHE

I warn you Gowan, stay away from Lucille.

HE

Why?

SHE

Dr. Haxby, that's why.

HE

What kind of doctor?

SHE

A famous doctor. Movie stars come all the way from Hollywood to have him fix their teeth.

HE

Because movie stars come all the way from Hollywood I'm supposed to avoid his wife? Where's the logic?

SHE

The logic is, he'll kill you. I happen to know what he did to another man who made a play for Lucille.

HE

Now what makes you think that I'm going to make a play for Lucille?

SHE

Well, although I've only known you for a few days, I know you're a son of a bitch. I also know Lucille.

HE

Was she the one wearing black with chains?

SHE

Yes.

HE

I didn't notice her.

SHE

You never notice women.

HE

Actually what I did notice was that she had a flat ass. And women with flat asses lack warm natures because the curve is also missing from the temperament. Well, she's your sister-in-law so you can get yourself invited to dinner, right? She can't say no, so that way I'll feel well protected.

SHE

Ah hah.

HE

Now to work.

SHE

Charming.
