

SHOPGIRL 3 (OA) Suter

She

Is that a Mojito? I have never seen anyone else order one of these.

He

Yeah, I just love the color.

She

Good. Funny. Wait. You have to take the first sip with your eyes closed, though. Like this.

(BEAT)

Mmm. Go ahead. See? Nothing to distract you from the first taste. How was it?

He

Noisy.

She

I have a secret.

He

What is it?

She

I know who you are.

He

Who do you know who I am?

She

You hear about people who are worth hearing about. I'm Lisa, Ray.

He

Hi, Lisa Ray.

She
Sense of humor. That's good.
That's good. Do you... do you...

He
Come on, say it.

She
I can't, I can't, I'm sorry.

He
What? What? Just tell me.

She
I can't. I'm shy.

He
Stop. I'm shy.

She
Ok. Do you want to get a
drink later?

He
Yes.

She
Great. When do you want to
leave?

He
Now!

She
You know what else I like?

He
What?

She
I think I like Ray Porter.

He
I can't wait to meet him.
