

THE STERILE CUCKOO

②

HE

I'm starving--what's for dinner?

SHE

Whatever you feel like fixing.
It's your turn.

HE

Monday, Wednesday, and Friday
are my days. Tuesday, Thursday,
and Saturday are your days.

SHE

You're absolutely right.

HE

Case solved.

SHE

Precisely.

HE

Now, I think I would like a huge
portion of Beef Stroganoff, Rice
Pilaf, corn, wait--make that green
beans, and a tall glass of beer.

SHE

Me too. That sounds wonderful.

HE

Well, what are you waiting for?
I'm getting very hungry.

SHE

I'm waiting for you to get your ass
up and fix it.

HE

Me?

SHE

Yes. It's Wednesday, which means
it's your turn to cook.

HE

No it's not, it's...
Oh, shit. It is Wednesday.

SHE

That's right. And you know
what I want.

HE

Beef Stroganoff, Rice Pilaf,
green beans and a tall glass of
beer.

SHE

No.

HE

You want corn instead of green
beans.

SHE

No.

HE

You want a baked potato or chicken.

SHE

Certainly not. I already ate. I
didn't want to deal with your cooking
tonight because I don't think my
stomach could handle it.

HE

Oh great! First you make me look
stupid by not telling me it's
Wednesday...

SHE

I didn't make you look stupid.
You did it all by yourself.

HE

You're acting very strange. You
only look at me like that when
you want something. What is it?

SHE

I am not looking at you strangely.
But you're right---I do want something.

HE

What do you want?

SHE

You.

HE

To do what?

SHE

To stand still so I can tie you up.

HE

Are you serious?

SHE

First, I'm going to tie you to the bed.

HE

Sounds good.

SHE

Then, I'm going to unbutton the buttons on your shirt.

HE

I love it when you talk dirty.

SHE

Then I'm going to run my tongue down your body and undo your pants with my teeth.

HE

Yes.

SHE

And when I have all your clothes off, I'm going to take all of my clothes off and rub oil all over our naked bodies.

HE

Oh, yes... what are you waiting for?

SHE

I want you to go into the kitchen
and dish up a big bowl of ice-cream.

HE

What are you going to do with the
ice-cream?

SHE

I'm going to eat it.
