

He

Hi honey, how was the audition?
I'd thought you'd be here when I
got home.

She

I don't want to talk about it. They
want me to play Christina Ricci's
mother.

He

Well, that's great....isn't it? As of
today I am officially one of those
guys without a recording contract.
The label rejected the demo. We've
been dropped.

She

Oh, honey I'm so sorry.

He

Yeah, it's not so bad, actually.

She

Even so, I know how much this
meant to you guys. You worked
really hard on it. Burt must be
crushed.

He

Yeah, well, he's not gonna go out that easily. He's got a plan. He thinks we should go ahead and record the album anyway. He thinks we could get a private investor to bank roll us. We could sell the album on the internet.

She

Burt and his plans.

He

We could make like five dollars a unit as opposed to one with the label.

She

God help Burt. What do you think?

He

I don't know, I think it's worth a try. Label said there wasn't a single on the demo.

She

Since when do you listen to those pigs?

He

I haven't had a song in the top twenty for five years now.

She

Neither has Dylan.

He

So what's wrong with playing
Christina Ricci's mother?

She

Well, for one thing, she's not a
child anymore...she's a goddamn
ingenue.

He

So?

She

She's like eighteen years old.

He

And?

She

Do the math Clive! I'm too young
to be that girls mother.

He

Right.

She

Damn right. I mean, look at me.
What the fuck are they thinking. I
mean, what are they seeing that I'm
not seeing? Do I look like fucking
Christina fucking Ricci's mother?

He

No, sister...maybe

She

Damn right..

He

...older sister, much older

She

Clive, how do you feel about eating
out....alone?

He

You're looking very radiant right
now.

She

Try antiquated. In fact, try Kungfu
Palace. I recommend it. Enjoy.
