

Upside of Anger 3 (OA)

He

Yes, what?

She

Are you looking to get laid?
Is that what's going on? I
mean, are you looking for
another notch in your belt,
or - I don't know - whatever
it is you super sports heroes
call it. I mean, are you
looking to get lucky with me,
to get me into bed?

He

Who's calling?

She

Be straight with me, Denny.
Be straight. Now, Grey always
though you had an eye for me,
and I need you to be really
straight with me now.

He

Uh, okay. Um... I do like you.
I always have.

She

You wanna have sex with me.
Is that it?

He

No! uh, no, I mean. Well,
yeah, if you're offering, I
guess.

She

Okay then. I'll be right
there. Give me 10 minutes.

He

Uh, excuse me?

She

Give me 10 minutes. I'm not going to do much with my face, though, so don't expect much. In fact, keep the drapes shut. I don't like a lot of light. It's not very light in there, is it?

He

No, there... isn't a lot of light here at all.

She

Okay, well, have a drink. Have a couple. I don't want you to have a real clear memory of this when it's over. Okay? I'll see you soon.
