

SHE

He's such a prick! He had some guy from the hotel beat him up. He didn't want to do it himself. Oh no, he didn't want to get his own hands dirty. So why did he have to do that, huh? Tell me.

HE

I know it wasn't a nice thing to do, but--

SHE

Yeah, no shit.

HE

You gotta understand. He doesn't know if this guy is shaking you down--

SHE

No.

HE

Or taking advantage of you.

SHE

No. I told him about this guy before we ever got married. This is no fuckin' surprise.

HE

Oh, you did? I didn't know that.

SHE

Yeah. He's just a friend of mine I was trying to help. So what?

HE

You know, the first time I ever saw you guys together, I never saw him so happy. I mean, I know he's a crazy fuck and everything, but you know, I never seen him act like that with anybody else. I think he's crazy about you. I mean he really loves you. He does.

SHE

Come on. I went into this with my eyes open, you know. I knew the bottom could drop out at any time. I'm a working girl, right? You don't think I'm gonna go into a situation like this if I don't think I'm gonna get covered on the back end.

HE

Sure. I can see that.

SHE

Right?

HE

Sure.

SHE

So he put aside some jewelry for me. A lot of jewelry.

HE

You mean like a lot of expensive jewelry? About how much?

SHE

You want to steal it?

HE

No. I was just curious. I was wondering... How much would he put into a thing like that, that's all.

SHE

I'm told it's worth about a million dollars, maybe more.

HE

Well there you go. What does that tell you? A million dollars in jewelry. Does that tell you the guy is crazy about you, or what?

SHE

I should have never married him.
He's a Gemini. Triple Gemini.
Duality. Gemini is the snake, you
know? You can't trust a snake. I
mean it.

HE

I know what you mean. Listen,
Ginger... You know, this is
probably not... I don't have the
answers anyway. This is probably
not what you want to hear right now.

SHE

I do.

HE

Because you're a little upset with
Ace and I understand that. But I
think you should try to make the
best of it now. Go slow. See what
happens.

SHE

He could've killed him! OK? He
didn't have to hit him. It's not
exactly like I'm sleeping with the
guy and he makes me sneak around to
see my own friends. What the fuck
is that all about?

HE

I guess it's 'cause he loves you so
much, he's jealous and worried.

SHE

Like he gives a fuck what I do.

HE

Look, I'll try to find out what the
hell is goin' on. When I see him,
I'll talk to him.

SHE

Okay.

HE

Alright?

SHE

Yeah. Thanks. Thanks for putting
up with me.

HE

And take it easy with this drinking
shit, would you? I mean, this could
only make matters worse. You're a
beautiful girl. You don't wanna
ruin your looks, I've seen a lot of
girls get shot to hell from this
stuff.

SHE

You're so nice.

HE

Come on, now. I don't wanna see you
unhappy.

SHE

Thanks. Thank you.

HE

It's all right.
