

Children of Men 3

S Went  
(cro)

She  
Did you get the papers?

He  
Lovely to see you, too.

She  
Thank you. I really appreciate this.

He  
Just like the old days, back of the bus.

She  
Yeah, except we're the old farts now.

He  
You're looking good.

She  
Right.

He  
Seriously. Look at me.

She  
(Beat)  
It's hard for me to look at you.

(Beat)  
He had your eyes.

He  
(Beat)  
You know, I never understood how you got over it so quickly.

She  
You think I got over it? No one could get over it. I live with it. I think about him every day.

He  
Come on, I mean the way you just...

She  
You don't have a monopoly on suffering, you know.  
You always carried his memory like a ball and chain...

He  
What do you fucking know about my memories? You  
don't know what I feel or what...

She  
Move!

He  
Oh yeah, there you go. That's what you always do.  
When it gets tough, you walk away.

She  
This is our stop, Thelonius. Adiamo.

He  
So why did you come to me? You could have found  
other ways to get transit papers.

She  
Probably.

He  
So why me?

She  
I trust you.

He  
And what happens after?

She  
You take a train back. It'll be safer.

He  
No, I mean what happens to us?

She  
I don't know.  
(She kisses him)  
Theo, come on. You came for the money.

He  
Did I?
