

CLEOPATRA'S SECOND HUSBAND 1-1

ROBERT

I see,..... yes. Thank you very much, I'm looking forward to it. You sure you need them by the end of this week? OK. No, no problem. I'll see you on Friday.

HALLIE

What's going on?

ROBERT

They may want to do a series.

HALLIE

You can have Zack drop them off.

ROBERT

They want to meet me and go over my portfolio. It's a great opportunity. Besides, they want the new stuff. I need to get a bunch of printing done.

HALLIE

I can't believe you're ruining our vacation for this. Who cares about Blindman, whatever it's called, it's just another stupid photo mag. You've had pictures in plenty and they never led to anything.

ROBERT

It's Blindspot, and it's probably the hottest magazine for art photography running.

HALLIE

But you're on vacation.

CLEOPATRA'S SECOND HUSBAND 1-2

ROBERT

They don't care. I'm not in a position to be turning this down. It's not as if galleries are knocking down my door. [beat] Anyway, It's not ruining the vacation, it's only three days.

HALLIE

Just seems like a stupid waste of time. Well I'm not staying out here, alone. We only have a week left anyway. Let's just go. I was hoping I was going to ovulate again. Lori thinks that's what the problem is, I haven't been able to relax.

ROBERT

OK so I won't go.

HALLIE

No, no, let's go. I don't want to be accused of hampering your precious career. If we go back we start inseminations next month.

ROBERT

All right.

HALLIE

Another fucked up vacation.
