

It's Complicated 1-2 SHORT

#7

JAKE  
I'm sorry.

JANE  
How far back does that sorry go?

JAKE  
How far back do you need it to go?

JANE  
Way back.

JAKE  
Consider it an all inclusive apology. From not being the husband you needed to showing up nude on your bed last night.

JANE  
Yeah, what were you thinking with that move?

JAKE  
That you'd find me irresistible,

Never considered the alternative.

JANE  
Gotta love that about you.

JAKE  
Oh, man, can't believe I got up to bat again and blew it.

JANE  
You didn't blow it. We blew it. We blew it the first time around. This time... we just should've known better. Too much has happened. Too much time has passed.

JAKE  
And you don't think we could make it right?

JANE  
Does that mean you didn't feel it was totally right either?

JAKE  
Being with you Jane is the best I'm gonna be.

JANE  
But do you agree that it wasn't really...?

It's Complicated 2-2 SHORT

JAKE

It was complicated. (PAUSE) I thought it was good. I wanted it to be good.

JANE

Guess that's as close as I'm gonna get.

JAKE

Do you always have to be so hard on me?

JANE

No. I don't.

JAKE

I don't regret giving it another shot.

JANE

Probably would've been better if you hadn't been married.

JAKE

It may never have happened if I wasn't married.

JANE

I don't regret it either.
