

DAVID

Would you like to play doctor?

LILI

If you mean what I think you mean,
I'll make it easy and leave.

DAVID

It's okay these days for the girls
to be the doctor.

LILI

I can't believe I'm seeing you.

DAVID

I'll be a good patient. Heck, I've
been patient for years.

LILI

David, I thought you were dead.

DAVID

A couple of times, almost. Your
fault.

LILI

My fault?

DAVID

If you hadn't passed me over for
that well-endowed jock, I wouldn't
have gone off to war.

LILI

Don't blame your dissatisfaction on
me.

DAVID

That should've been my line...

LILI

What about the apartment. Was that
a trick for getting me here?

DAVID

Sort of. You might still get it.

LILI

Under some unusual rental agreement?

DAVID

There could be some leasing provisions.

LILI

David, we're too old to be doing this.
I'm a mother.

DAVID

You've been widowed for two years.

LILI

I have no interest in getting involved
with anyone.

DAVID

You're ready for me.

LILI

No I'm not, David.

DAVID

Come on, let's get started.

LILI

Let's not.

DAVID

Pretty please?

LILI

David, I'm leaving.

DAVID

Don't make me do anything we'll
both regret.

LILI

What--you going to tie me down?

DAVID

If necessary.

LILI

I don't believe it. First, you
spied on me. Then you set up
this meeting. And now... now you're
threatening me.

DAVID

Since the first time we played
doctor--when we were four--I loved
you, Lili.
