

Scene 3

Kelly Ryan

INT. APARTMENT - EVENING

KELLY is sitting on the couch. There is a KNOCK at the door. She gets up and answers it. RYAN, smiling walks in.

KELLY

Ryan? What are you doing here?

He smiles. She stands up.

RYAN

I have some really great news.
Well, actually, it's great news for
me. Maybe not for you.

KELLY

What are you talking about?

RYAN

Promise me you won't freak out.
Maybe you should sit down.

KELLY

Just tell me what's going on.

He smiles again, this time with a small giggle.

RYAN

You sure you don't want to sit
down?

KELLY

Ryan, just spit it out.

RYAN

Okay, well remember when you said
you wouldn't date me unless I was
the last man on earth?

Kelly thinks back.

KELLY

Yes.

RYAN

Well... we're going DEFCON sex!

Kelly finally gets it.

KELLY

Oh my God, you can't be serious.

(CONTINUED)

RYAN

Absolutely. Now I know you don't watch a lot of TV, so I didn't know if you were following the news or not, but me and you... we're it.

KELLY

You're kidding right?

RYAN

Nope. Not kidding.

Kelly goes towards the door. Ryan stops her.

RYAN

I wouldn't go out there if I were you. It's not safe.

KELLY

What are you talking about?

RYAN

It was that darn ISIS goofs. They sent over a chemical bomb, so of course, we sent over a nuke... China is about to send a nuke... then there's Texas, who knows what they do...

KELLY

Right. So no one is actually dead, yet...

RYAN

Well, no, not yet. But pretty soon.
(pause)
So I was thinking, maybe you and I could... you know...

Kelly laughs.

KELLY

This is a lot for me to take in.

RYAN

I understand. Take your time, but just not too long.

He chuckles.

(CONTINUED)

KELLY

Well technically, since we aren't
the last two people on earth, my
statement still stands.

Ryan takes that pretty hard.

RYAN

I knew this was too good to be
true.

KELLY

I'm sorry.

RYAN

No, don't be. I'm used to it.

He starts to walk towards the door. He turns back.

RYAN

You think maybe, in a couple hours
if we're still alive, I could come
back?

KELLY

Ryan.

Ryan nods in acceptance and walks out the door leaving Kelly
there as we...

FADE TO BLACK.
