

ROBERTA

3.

Sure, just pull over there, you should be alright for awhile.

DA VINCI

You're not gonna give me a ticket.

ALANA

No sir, not tonight.

Marcie pulls the car over into the parking spot.

EXT. RESIDENTIAL STREET - NIGHT

TBW. KOSMO and FINN converge, having talked to neighbours at each drive-by shooting location. They both heard reports from neighbours that a tinted WHITE MUSTANG was the shooter vehicle. KOSMO tells FINN that the second victim, according to a neighbour, went by the name "Vijay". Finn recognizes the name 'VIJAY KUMAR': y'know, that name's familiar, I think he used to be a cop.

KOSMO gets the call: a stolen WHITE MUSTANG has been found, ditched.

INT. RED ZONE CLINIC - NIGHT

A couple of prostitutes help themselves to coffee as they wait to be examined by the Nurse, Roberta. Marcie waits by the door.

DA VINCI

You got everything you need here?

ROBERTA

Uh huh.

DA VINCI

Anybody signing up for drug counselling?

ROBERTA

A couple, uhuh.

DA VINCI

What's the general consensus, how's it going over.

ROBERTA

The most common complaint is having the police present. The girls don't trust them and the johns are paranoid they're taking down plate numbers.

Y2

ROBERTA

4.

DA VINCI

That's gonna take a while to establish the trust. You had any complaints from the neighbors down here?

ROBERTA

Not yet. Couple of folks dropped in out of curiosity, they seem to be okay with it.

DA VINCI

Good, glad to hear it. Take it easy.

ROBERTA

Thanks for dropping by.

He turns to exit. As he joins Marcie to leave, LIZ enters, done with her trick. Da Vinci holds the door for her.

END

LIZ

Thank you. Oh, it's you.

DA VINCI

How are ya.

LIZ

Good, yeah, alright. You just dropping by, or are you looking for something.

DA VINCI

(laughs)

No, I'm good. Take it easy.

He and Marcie exit onto the street.

EXT. RED ZONE CLINIC - NIGHT

As they head back, business on the street continues.

DA VINCI

Looking pretty good, maybe this is gonna work out.

MARCIE

I think it's really wrong.

DA VINCI

Yeah, what part.

MARCIE

The whole thing. I think we should be arresting people for selling and buying sex.
