

INT. DOVER OFFICE - DAY

HAROLD and PHYLLIS stand by the water cooler.

HAROLD

You never guess what I heard?

PHYLLIS

What?

HAROLD

Old man Jensen is doing the  
horizontal thingamajig with Patty  
Bovine.

PHYLLIS

From Accounting?

HAROLD

Yep.

PHYLLIS

She's not his type.

HAROLD

How do you know?

PHYLLIS

I know. I'm a woman.

HAROLD

And Wonder Woman apparently.

PHYLLIS

You said it.

HAROLD

So enlighten me on what I'm  
missing, please?

PHYLLIS

He's a war monger, and a Scorpio to  
boot, and it's obvious someone like  
her isn't looking for someone like  
that.

Harold looks around to see if anyone's listening.

HAROLD

What is this, California Astrology  
101? How do you know she's not  
banging him?

PHYLLIS  
Because she's into women.

HAROLD  
And how the hell can you tell that?

PHYLLIS  
From personal experience.

Harold's jaw drops.

Phyllis begins to walk off turns.

PHYLLIS  
Oh, in case you're wondering, the  
orgasms are earth shattering.

HAROLD  
Wow.
