

INT - DOWNTOWN CAFE - DAY

There are various shots of downtown. The camera then comes upon Jaclyn and DRUE eating lunch at a café.

Drue is Jaclyn's boyfriend at the time. He hasn't known Jaclyn for very long and they don't have a strong relationship.

They have not yet placed their order. Drue is in a pleasant mood while Jaclyn seems a bit uneasy.

DRUE

You look very beautiful today.

JACLYN

Thanks.

DRUE

What a gorgeous afternoon, I wish every day's weather was like this.

JACLYN

Drue, there's something we have to talk about.

DRUE

What's that?

JACLYN

I don't think we should see each other anymore.

DRUE

What?

JACLYN

I think we are wanting different things.

Just after that is said, the WAITRESS 1 comes over to take their order. Drue is confused and shocked at what is happening. Jaclyn looks at the waitress.

JACLYN

Can we have a few more minutes?

WAITRESS 1
Certainly.

DRUE
Different things? Like what?

JACLYN
Well, for example, you said that you
were looking to have kids here before
too long.

DRUE
I said by the time I'm 35. That's
almost ten years away.

JACLYN
I know, it's not just that. My job
takes me away for days at a time, and I
think that you deserve someone who is
going to be around more. Every time I
leave I feel that it is hurting our
relationship more and more.

DRUE
I had no idea you felt this way. I wish
you would have told me sooner, then
maybe we could have worked something
out.

JACLYN
I know, I'm sorry for keeping it
bottled up inside, but I really feel
strongly about this. I hope you
understand.

DRUE
Don't worry, I understand. The last
thing I want is for you to think I am
upset. I sincerely wish that it has to
come to this, but I want to be sure and
remain friends.

JACLYN
I would like that.
