

Carl

What's this I hear your trying to pump Jeanie full of steroids?

Doug

What? No, no, no. Its something I saw on Dateline and it wasn't steroids it was hormones. Testosterone, you know, it's supposed to make women more aroused.

Carl

Sounds good. What's the problem?

Doug

Apparently, there is a drawback or two regarding facial hair & body mass. Do you hear everything that is going on in my life?

Carl

Well Sara mentioned it this morning when we were in the shower.

Doug

What? Wait a minute; you still take showers with your wife?

Carl

Well not usually, we were, well...running late.

Doug

Oh. Okay.

Carl

And we stayed in bed longer then we should this morning, had another go.

Doug

Another go. So you had a go. Then you had another go. How the hell do you get two go's?

Carl

I shouldn't have said anything. Hey, it's no big deal.

Doug

It's a very big deal. Because you see, I think you might be getting my go's

Carl

It's different between me and Sara. I mean she is always out of town covering some game.

Doug

How do you get away from the kids? How?.....Tell me!!!

Carl

You pop in one of those Disney movies, and it keeps their attention for a while. You know....it gives "you" thirty minutes to.....yourselves.

Doug

So you just came down to rub it in. Thanks

Carl

No, I came down because I have these drawings for you.

Doug.

Thanks. Hey what do you know about this. Jeanie says there is a new "mom" in town with her own website. A porn website.

Carl

Porn? There is a porn mama in this town with her own website? Who?

Doug

I didn't get her name

Carl

Oh, of course not. Why crowd your head with the name of a naked women we might actually meet.

Doug

Jeanie, she gave me the information backwards, she told me the name then twenty minutes later she told me the porn part. Believe me if she told me the porn part first I would have scratched her name in my forearm with a penknife.

Carl

Well this does us no good.

Doug

I know. I know. But Jeanie, did say that this woman was blond, drives a Volvo.

Carl

Are you kidding? There's at least a thousand moms in this town with that description.

Doug

Oh, yeah, and cute

Carl

Well that narrows it down.

Doug

Yes it does
