

SLEEPLESS IN SEATTLE 1

SAM

I'm not asking you to set me up. I don't need your help with that. I just wanna know what it's like, you know, out there.

DAN

That's what I'm trying to tell you. What women are lookin' for. Pecs and a cute butt.

SAM

What, you mean like it comes down to who has the cutest butt?

DAN

Yeah.

SAM

Where did I hear that recently?

DAN

Everywhere. I mean, you can't even turn on the news nowadays without hearin' how some babe thought some guy's butt was cute. Who the first woman to say this was, I don't know. But somehow it's caught on.

SAM

So, how's my butt then?

DAN

Not bad.

SAM

Really?

DAN

Yeah.

SAM

Is it cute though?

DAN

Weeeell, I don't know. ... When was the last time you were out there?

SAM

Er, er, Jimmy Carter... 1978.

SLEEPLESS IN SEATTLE 2

DAN

Things are a little different now. First you have to be friends. You have to like each other. Then you neck. This could go on for years. Then you have tests. Then you get to do it with a condom. The good news is you get to split the check.

SAM

I don't think I could let a woman pay for dinner.

DAN

Great. They'll throw a parade in your honour. You'll be Man of the Year in Seattle Magazine. ... Tiramisu.

SAM

What is Tiramisu?

DAN

You'll find out.

SAM

What is it?

DAN

You'll see.

SAM

Some woman is gonna want me to do it to her and I'm not going to know what it is.

DAN

You'll love it.

SAM

Oh, this is gonna be tough. Much tougher than I thought it would be.

DAN

What about that decorator on the Bennett job?

SAM

Victoria.

DAN

Yeah. She's pretty.

SLEEPLESS IN SEATTLE 3

SAM
Oh, no, I don't... I don't think I could...

DAN
Of course you can.

SAM
Maybe I could send her a note.

DAN
Note? You'd send her a note?

SAM
I don't know. Well, how do I do that?

DAN
What do you mean "how do I do it?" You call her up, you say "come on, let's get together, we'll look at swatches".

SAM
Call her on the 'phone? Say "come on. let's look at swatches"?

DAN
Yeah, you know, colour schemes.

SAM
She's not gonna see right through that?

DAN
Oh you don't do it like I do it. You do it in your own suave way. Think Cary Grant.

SAM
Cary Grant would call her up and say "come over and look at my swatches"?

DAN
How do you know? Maybe he did.

SAM
Not in a movie.

DAN
I know he didn't do it in a movie.

SLEEPLESS IN SEATTLE 4

SAM

Gunga Din? He didn't call for colours in that?

DAN

No, Gunga Din is not a swatch kind of movie. But we don't know what he did in real life.

SAM

You mean he did that with Dyan Cannon? "Hello Dyan, take a look at these swatches".
