

INT. APARTMENT - NIGHT

LARRY is pacing around the room anxious. The door opens and RICK rushes in.

RICK

Dude, I got here as quick as possible. Is everything okay?

Larry is startled for a second but can't contain himself.

LARRY

I've done it.

RICK

Done what?

LARRY

You know my super secret project I couldn't tell you about?

Rick suddenly realizes.

RICK

Oh god Larry, not another one of your stupid inventions.

LARRY

It works this time.

RICK

I thought you were in trouble. Damn it Larry, why do you keep wasting my time with this stuff?

LARRY

You don't understand. I can prove it this time.

RICK

Oh really? I would love to see that.

LARRY

Yeah. I have finally broken the space-time continuum.

RICK

What the hell are you talking about?

Larry stands up proud puffing out his chest.

LARRY

I can travel through time.

There is a long silence. Rick finally starts laughing.

LARRY (CONT'D)

I'm serious!

RICK

Yeah, whatever. You want to go grab a beer?

LARRY

I'm not kidding this time Rick. This time I can prove it.

Rick is sceptical.

RICK

Oh really? I'd love to see that.

Larry starts to get super secretive.

LARRY

(whispering)

You can't tell anyone about this. Okay?

RICK

Sure. No problem. I won't tell a soul. Cross my heart.

Larry smiles.

LARRY

Give me a second.

He runs in the back room and comes back out with a small crystal. Rick looks at it.

RICK

What the hell is that?

LARRY

I made it. It's a crystal that vibrates on a completely different frequency. With it, you can travel through time. Move from place to place ...at will.

Rick reaches for it. Larry pulls it away.

LARRY (CONT'D)

No, no, God no. You don't know how to control it. I am the only one that can control it. I haven't figured out how to get it on other peoples brain frequency. I could give you scrambled eggs for brains, you don't know.

RICK

Let me just see it.

LARRY

Not yet. I don't want you getting hurt.

(long pause)

You want to see me use it?

Rick shakes his head.

RICK

Sure. Why not?

Larry holds the crystal in both hands and closes his eyes really tight. He stays that way for 5 seconds of silence. Finally he opens his eyes.

LARRY

See I told you!

Rick starts laughing.

RICK

Told me what? You didn't go anywhere.

LARRY

Oh but I did. I went into the future.

RICK

You what?

LARRY

Yeah, you have really nice looking kids by the way.

RICK

Dude, come on. This is stupid. You just closed your eyes.

LARRY

Oh yeah? Then I'll go into your past.
