INT. APARTMENT - EVENING

MARK is grabbing his coat and heading towards the door when it suddenly swings open. In rushes LISA wearing men's shorts and a t-shirt. She is freaking out.

LISA
Mark, you have to help me!

Mark looks at her confused.

MARK
Woa, who are you?

LISA
Mark, I don't have time for this.
It's Luke!

Mark gets a huge grin on his face.

MARK
Did Luke put you up to this? Cause
I gotta say, nice work.

Lisa gets more frustrated.

LISA
I'm not kidding. It's Luke! Your
best friend! Something's happened.

MARK
(laughing)
You mean, like, you sudden grew
boobs? Wow, Luke, I never knew you
could do that.

LISA
This is serious.

Mark is skeptical. He eyes her up and down.

MARK
I gotta say, you make a pretty hot
chick.

LISA
This is no time to be a pervert! I
need help!

MARK
Geez, calm down, lady. You're the
one who just barged into my house.
Where the hell is Luke?

LISA

I am Luke!

MARK

Look, this was funny, for a second, but now it's getting a little stalker creepy.

LISA

Okay, fine. Uh... Gloria. Remember Gloria Winston?

MARK

You mean the chick who turned out to be a dude?

LISA

Yeah, and I didn't know until the third date, and remember all the things I told you we did... before I knew it was a dude?

Mark's jaw drops.

MARK

Whoa, Luke would never tell anyone about that.

LISA

Remember the guy we called monkey hands in seventh grade? He took your clothes after the swim meet, and threw you in a locker...

MARK

Hey, hey, hey... we promised to never talk about that.

Mark gasps and takes a steps back.

MARK

This can't be real, dude... what the hell happened?

LISA

I don't know, Mark, but I'm really freaked out right now. You gotta help me change back.

MARK

Yeah, sure... but there's one more thing I need to know.

LISA

What?

MARK

What's it feel like?

LISA

What does what feel like?

MARK

You know...
(eyeing her boobs)

Lisa grabs her breast..

LISA

I don't know... it's weird. They kind just hang there. And when I was running over here, they kept giggling and bouncing around and... well, now that I think about it... they are pretty awesome...

Mark goes to join in on the "feel", but Lisa slaps his hands away.

LISA

Oh my god! I don't have time for this. I don't want boobs, not like this.

MARK

Are you sure, because I can think of some cool games we...

LISA

Will you please be serious for a moment?

MARK

Sorry, it's just... dude, you're hot.

LISA

Dude, stop ogling me.

MARK

Okay, okay, sorry. How did this happen?

LISA

You're the science geek. You tell me.

MARK

Okay, we have to retrace your steps starting with when you woke up yesterday until now.

LISA

I don't remember anything from yesterday. All I know is I woke up today looking like... this.

(beat)

Dude, I'm missing my junk. What happened to my junk?

MARK

Calm down, dude. We'll get your junk back. Okay, so... did you wake up in your apartment or someone else's?

LISA

Mine.

MARK

Well then there has to be some clues there. Let's go.

LISA

I can't go out there like this.

MARK

Like what?

LISA

Uh hello... I have boobs.

MARK

No one's going to know you're Luke. Look, if someone asks, tell them you're Luke's sister... Lisa.

LISA

Lisa? Yeah, okay. Let's go.

As they head out the door, without looking, she yells.

LISA

Stop looking at my ass.

MARK

Sorry.

They leave and shut the door as we...

FADE TO BLACK.
