Remedy - "Bad Blood" - Second Draft - 3-17-13

pg. 19

ZOE

Are they at least, I don't know, not punished but do people get reprimanded or --

KANASKIE

I'll call the OH nurse, make sure your incident report is filed. You go to ER, get a Hep C test, a Hep B vaccine shot and blood work for the rest of it.

ZOE

The rest of it?

KANASKIE

HIV, AIDS, that kind of thing.

Oh God.

KANASKIE (CONT'D)

Oh, Dr. Conner sent a message down. Wants you to call him.

As Kanaskie passes her the note -

KANASKIE (CONT'D)

Hanging out with the Chief of Staff now?

ZOE

What? No. He was --

KANASKIE

Don't sleep with the enemy, Zoe.

ZOE

I'm sorry?

KANASKIE

Doctors. Never ends well.

Zoe, still reeling from the word AIDS, heads out as...

INT. HUNTER MEDICAL, TRAUMA TWO - DAY

20

Blood seeps through Griffin's bandages. Griffin turns and sees Brian.

BRIAN

Griffin Conner.

GRIFFIN

Brian Decker. Wow. Ok. Wow.

1/5

REMEDY  
HUNTER

These guys went to school together. No love lost.

BRIAN

I'm supposed to take a look.

GRIFFIN

Be my guest.

Brian steps in, goes to work as...

GRIFFIN (CONT'D)

Were you just in the other room there?

BRIAN

Yeah.

GRIFFIN

How's he doing?

BRIAN

He a friend of yours?

GRIFFIN

Not really. I'm the one who stabbed him.

Brian stops what he's doing.

GRIFFIN (CONT'D)

Sort of. Not really. You third year now?

BRIAN

Yup.

Grif looks through a window, sees Detective Parker staring back. Not good.

BRIAN (CONT'D)

Where you been, Grif? Since you quit.

GRIFFIN

Working in this bar, before that, traveling.

BRIAN

Your family's been worried sick.

GRIFFIN

How would you know about my family?

BRIAN

I'm engaged to your sister.

2/5.

GRIFFIN

What?

BRIAN

Yeah. Wild, eh?

Griffin takes that in...

GRIFFIN

Ok. I give. Which one?

21 INT. HUNTER MEDICAL, CAFETERIA - DAY 21

Sandy eats a Club Sandwich as she stares at a HANDSOME FELLA across the caf.

SANDY

You can't sleep with him.

Sandy's talking to Megan, who nibbles on a salad.

MEGAN

We're consenting adults.

SANDY

You're his surgeon. It's unethical.

MEGAN

Male doctors do it all the time. I bet dad did it.

SANDY

There's no way dad slept with a patient.

MEGAN

Mom slept with a client.

SANDY

That was different.

MEGAN

How?

SANDY

She was discovering herself.

Sandy's phone rings. She answers.

SANDY (CONT'D)

Hey honey. You gonna meet me?

INTERCUT:

3/5

ZOE

Administering drugs? Remember what  
you did with the needles.

Sandy starts to say something. Then stops. Busted.

ZOE (CONT'D)

WHAT WERE YOU THINKING?

Sandy turns and walks away.

INT. HUNTER MEDICAL, HALLWAY/ALLEN'S OFFICE - DAY

41

Griffin and Natasha walk down the hall. Arrive at a  
door marked:

DR. ALLEN CONNER, MD, FRCPC, Msc. CHIEF OF STAFF

NATASHA

You ever want to be a doctor?

GRIFFIN

I did then I didn't.

Grif tries the handle - open - and steps inside. Natasha  
looks around the crowded doctor's office.

NATASHA

My dad sold socks. Our feet were  
never cold.

She makes a beeline for the FAMILY PICTURES by Allen's  
desk. Grif hangs back.

NATASHA (CONT'D)

That you?

GRIFFIN

It was.

NATASHA

So cute.

(then)

Hey I had this idea. Every girl who  
does a sexy nurse routine uses those  
old fashion white uniforms.

PHOTO: Griffin, Sandy, Megan and their father. Skiing.

NATASHA (CONT'D)

So I'm thinking of doing a routine  
in scrubs. It'll be more real like  
I'm, like, a real nurse.

PHOTO: Griffin and his dad on a hiking trail.

NATASHA (CONT'D)

But kinda innocent, like the little sexy nurse next door. I think it'll turn guys on. What do you think? Would that turn you on?

GRIFFIN

I know too much about hospitals. And nurses. So no.

NATASHA

Shuddup, you lie.

Natasha playfully slaps Griffin's arm.

GRIFFIN

AHOW.

NATASHA

Oh God sorry. I forgot.

THAT HURT. Grif tries to walk it off.

GRIFFIN

The meds are wearing off. Ow.

NATASHA

Maybe your dad has some...

Natasha starts to look. Finds a BOTTLE OF PILLS.

GRIFFIN

DON'T. DON'T TOUCH ANYTHING.

Silence. Then...

NATASHA

They won't put you in jail. You know that right? There's no way. We all told the cops the same thing. He was crazy. You're not going to jail.

GRIFFIN

I don't care. I don't care about jail. I just don't want him to die.

Grif looks at a FAMILY PICTURE.

GRIFFIN (CONT'D)

My family. We're expected to save lives. Not take them.
