

DEXTER 10 – 1 (AC) M/M SCENE

BATISTA

Scotch and whatever my friend is having.

QUINN

I'll have a vodka.

BATISTA

Don't you mean a shirley temple?

QUINN

What? I can't toast to Mike? To Mike.

BATISTA

To Mike. What if your union rep sees you?
Aren't you in some kind of program?

QUINN

I start next week.

BATISTA

That's good. The sooner you address your
problem the better 'cause I'm tired of your
bullshit.

QUINN

Is there a reason why you're still break my
balls?

BATISTA

You lose one girlfriend and the wheels
completely come off.

QUINN

I'm a sensitive guy.

BATISTA

I've lost two wives and countless girlfriends and somehow I managed to keep my shit together.

QUINN

Yeah I wish my life was more like yours, I mean you're living the fucking dream.

BATISTA

Keep it up, I'll put in for that transfer after all. I don't care what the union says, I'll make it happen.

QUINN

I thought that you already put in for my transfer.

BATISTA

I didn't quite get around to it.

QUINN

So you were just fucking with me? You didn't want me to leave, you were only trying to get me to shape up.

BATISTA

A lot of good that did.

QUINN

You still fuckin' love me.

BATISTA

Fuck you. I try to help you and you go running to your union rep like a little bitch. That was weak.

QUINN

Well, actually...

BATISTA

What?

QUINN

I plan on talking to him as soon as I find out who he is.

BATISTA

What about this program thing you're in?

QUINN

That's bullshit. You know I don't have a drinking problem. Or maybe that's just me in denial. ~~Who~~ knows. We may never get to the bottom of this.

BATISTA

Yeah, do it... just deal with your shit. Mike was a hundred times a better cop than we'll ever be.

QUINN

I'll drink to that.
