## Dog Day Afternoon 2 (OA)

Detective

What the fuck is the matter with you?!

Sonny

What?

Detective

Why'd you fire that shot in there? We got 250 cops here! Why'd you take that shot!?

Sonny

Fuck you! What were they doing back there?

Detective

What the hell's the matter with you?

Sonny

Are we dealing? They were trying to get in there!

Detective

Who?

Sonny

Come on, you know who!

Detective.

What the fuck is going on?

Sonny

You're full of shit!

Detective

Find out what's going on back there!  
Honest to God, Sonny, I don't know!

Sonny

Bullshit!

Detective

Our communications aren't set up yet.

Sonny

Bullshit!! Bullshit! Bullshit! Get someone to talk to me! I'm not talking to you anymore.

Detective

Let me talk to you.

Sonny

You say this, you say that. Why were they back there? What were they doing back there?

Detective

I don't know!

Sonny

You don't know, yeah. You're full of shit!

Detective

It's another force back there. A tactical force! They like to shoot, climb through windows!

Sonny

They like that, right! Without your orders, right?

Detective

No! Yes! Without my orders!

Sonny

How do I know you're not coming through the roof?

Detective

I tell you we won't.

Sonny

You're telling me a lie, you're telling me a lot of things, but you're not doing them.

Detective

Well, God-Damn it, I didn't...

Sonny

What were they doing?!

Detective

I don't know!

Sonny

You can't answer me.

Detective

What?

Sonny

You can't answer me.

Detective

Yes, I can answer you.

Sonny

So tell me what they were doing.

Detective

There's no communications back there.  
No communication! I sent someone  
back there.

Sonny

I got a guy in there who's going to kill  
somebody. That's your responsibility.  
You understand? Not mine, that's yours.

Detective

Wait a minute, hold on. We got  
everything you wanted.

Sonny

Oh yeah?

Detective

Yeah. We can't get a helicopter, but a  
bus is coming. We got a jet coming into  
Kennedy, all right? We found your wife.  
Your wife is coming. We reached her,  
and she's coming here. All right? Okay?

Sonny

Where are you going? What are you  
doing?

Detective

I'm right here. I'm only coming to here. I thought we were going to talk.

Sonny

I thought so too. But we're not talking. You're trying to get in through the back door.

Detective

Your wife will be here soon. About a half hour.. okay?

Sonny

What are they doing. They're still pointing their guns at me. They love it.

Detective

Holster your weapons! Holster them! All of them! You too!  
(BEAT)  
Okay, come one.

Sonny

What?

Detective

What else do you want me to do? I don't know how you could do any better? We got everything you wanted. Everything. I'll do anything I can to stop anything. Anything else?

Sonny

Yeah.

Detective

What?

Sonny

I got some people in there that are hungry. Can you get some food for them?

Detective

What do you want? What kind of food?  
You want some pizzas?

Sonny

Yeah, all right.

Detective

Carmine - Get some pizzas in here.

Sonny

Can we get some beer, you think?

Detective

Yeah.. No, no, no. No beer. Let's keep it  
to soft drinks, all right? Carmine? Some  
soft drinks too, okay? Cokes! What  
else?

Sonny

And some aspirin too.

Detective

And some aspirin.

Sonny

Some lady's not feeling well.

Detective

You got it, anything else?

Sonny

Just don't fucking con me.

Detective

I'm not conning you! Why would I want  
to do that? I'm in trouble enough as it is.  
I'm not trying to create any trouble.

Sonny

Good.
