

**JUST CAUSE (hm) 1**

BILL

They don't like me very much.

KEN

Really? Why?

BILL

Creative differences.

KEN

Do you mind if I use a tape recorder?

BILL

Be my guest.

KEN

That's quite the art gallery you've got back there.

BILL

Thank you. Idle hands are the devil's workshop... do you believe in Jesus?

KEN

Yes. Yes I do.

BILL

That's good. That's very good. I've killed so many people I can't hardly keep up with my correspondence. But my question is this... you think any one of those people rolled out of bed on the morning of their last day thinking "today's my day to die"? See, you've got to take Jesus into your heart right away cause you just never know. You just never know, do you?

KEN

Even if you don't have a condition, you might have a...situation.

BILL

You a killer too?

**JUST CAUSE 2**

KEN

Me? No.

BILL

You never been in a war? Korea? Vietnam?? Never do a little hit and run with the BMW? Never told the wifey to get an abortion? That little piece of chicken you've got on the side "here's \$300 Dollface, get it taken care of?"

KEN

No.

BILL

Cause you've got that look. You've got ice in your eyes. I can tell.

KEN

Well you're wrong.

BILL

Am I now? Mr. Armstrong let's see who I'm talking to here. Are you married?

KEN

Yes.

BILL

Kids?

KEN

No.

BILL

Liar! House or an apartment?

KEN

I have a house.

BILL

Alarms on the windows?

**JUST CAUSE 3**

KEN

No.

BILL

Dogs?

KEN

No.

BILL

Do you have trouble sleeping?

KEN

No.

BILL

Liar!! Afraid of dying?

KEN

I don't give it much thought.

BILL

LIAR! That's three lies!! Same as Peter did to Jesus before the cock crowed. You should be ashamed of yourself lying to a condemned man.

KEN

Well don't my lies tell you as much about me as my truths?

BILL

Okay.. okay... So what do you want to talk to an old bad guy like me for?

KEN

Dallas.

BILL

Nice town.

KEN

What happened there?

**JUST CAUSE 4**

BILL

You've been talking to my neighbour... Bobby Earl.  
Excitable boy.

KEN

Did you kill Joannie Schriver?

BILL

Did I? There's been so many..

KEN

Did you kill her?

BILL

Hell Armstrong, you're starting to get all frantic and  
excited just like Bobby Earl did!

KEN

DID YOU KILL HER?.
