Johnson

Are you scared?

Arnie

Yeah, I'm scared, are you?

Johnson

Of course man. My leg is half gone. What the hell do you think?

Arnie

You're ok; you're going to make it thru this.

Johnson

You're not the guy who is gonna be a gimp for the rest of your life. Don't say I'll make it thru. You have no idea. Shit man, it hurts.

Arnie

So Johnson, you got a gal?

Johnson

Yeah, I have a wife and 3 kids with one on the way. They're my life man. God I wish I was in the backyard having a big barbecue with them right now. Have the nosy neighbor Frank, poking over the fence asking how were doing. You know he was looking to find out what were cooking, and if he can scam his way into dinner. What a guy. Ah fuck man, this hurts.

Arnie

You're going to be ok. Just think of your backyard. You'll be there in no time.

Johnson

Yeah, but will I stand up on both legs? Play football with my son? Ride a bike? I don't think so.

Arnie

Quit fucking talking like that. You're going to be fine, do you understand. You're going to be fine. (beat) Shit there is a lot of blood.

Johnson

What was that noise?

Arnie

Nothing. Probably some gook over in the forest.

Johnson

Arnie, I am feeling weak Arnie. Damn it anyways. Shit Arnie, I feel so weak and sleepy.

Arnie

Just stay awake Johnson. Do you hear me? Don't you dare fall asleep on me. Johnson are you listening to me? Just stay awake.

Johnson

Fuck man, I'm trying. Arnie, can I ask you to do something for me?

Arnie

Sure, anything Johnson. You just say it.

Johnson

Will you deliver a message to my wife and kids?

Arnie

Don't fuckin' talk that way man. You're going to see them yourself.

Johnson

Dammit Arnie, will you do it or not?

Arnie

Anything man.

Tell hr to go to our favorite spot in the park. She knows exactly where it is. Tell her to dig under the tree that I first kissed her.

Arnie

What are you talking about?

Johnson

Just do this will you. She will ask you why, and probably will think you are off your rocker with all the drugs that you smoked over here, but just tell her that I said for my tulip to do so. With that word she will realize that you are not a fuckin' crazy lunatic, trying to yank her chain. (beat) Oh god, I'm gonna die. Please hold me Arnie. Hold me tight, Please!

Arnie

I am holding you Johnson; I'm holding you.

Johnson

I can't feel you. (beat) Bye Tulip

Arnie

Now Johnson, don't your close your eyes on me. Johnson? Johnson! (beat) I promise
