

Charlie

Your doing what?

Robert

I'm leaving Joan

Charlie

Are you insane? Why?

Robert

Because I met someone new. I don't know how to explain it. She's just so different.

Charlie

But Joan and the kids. What about them? What's going to happen to them? Don't you have any morals anymore?

Robert

Its not that I don't care for them, I do honestly, but this women has made me feel that I'm important, that I'm actually somebody in this world. Charlie I told you because I thought you would understand. Besides you and I both know that your one of the biggest philanders around. Don't go talking to me about morals.

Charlie

OK fine, we won't get into it. Where did you meet her?

Robert

I haven't exactly met her yet

Charlie

What?

Robert

Well I've been talking to her, actually more like writing her.

Charlie

Let me see if I understand this correctly, Your leaving you wife and kids for someone you have not even met yet, and you've only written her?

Robert

You are making it sound worse than it is

Charlie

Excuse me? This isn't a Sunday night movie. This is affecting 5 lives. Yours, Joans, the kids and whoever this women is. (pause) Come to think of it this is a plot for a Sunday night movie. Next your going to tell me that you met her in Cyberspace, and she lives in Sweden, and she's coming here to live with you.

Robert

Well you got two out of the three

Charlie

I beg your pardon?

Robert

She's from New Zealand

Charlie

Well that's a relief. God knows if she came from the West Indies there be that language barrier to deal with. (pause) I'm kidding. Look Robert, if you are having troubles with your sex life, see a counselor, and if that doesn't work get yourself a honey, ...locally, but don't do this. You have no idea what your getting into.

NET BREAKUP (sk)

PAGE 3

Robert

Well its a little late for that. She's arriving at 4:00 today. And I'm on my way to tell Joan, but the thing is I don't quite know how long I'm going to be so I was wondering if you would be kind enough to pick her up at the airport? I made a sign and everything so she would be able to spot you.

Charlie

Your joking right?

Robert

What do you think?

Charlie

Shit. And I thought this weekend was going to be slow.
