

The Untouchables 3

Malone

Hey, Mike, you got a minute?

Mike

Yeah, I do now. I got nothing to say to you.

(BEAT)

What?

Malone

I just need one more piece of information.

Mike

One more?

Malone

I need—

Mike

I'm done risking my life for you.

Malone

I need to find that bookkeeper.

Mike

Are you crazy? You are, you're crazy. I warned you to leave town. If they knew I did, if they knew it was me, I'm dead.

Malone

I need to find that bookkeeper.

Mike

You're fucking out of your mind. You're out of it! And I tried to save your life. Move.

Malone

I need him.

Mike

Get your hands off me. You owe me nothing. I don't owe you nothing.

Malone

My people are being killed.

Mike

I, am your people.

Malone

You're my people?

Mike

Yes, Damn right.

Malone

You run with the dogs. He's ruined this town. For 10 years, I can't eat my food with the shit that's going on. And you're saying I'm not a cop.

Mike

Bullshit! Fucking bullshit. Look at yourself. Look at yourself.

(BEAT)

Go on, and live the charade, with your soft clothes and federal stooges. What the hell do you think he's going to do?

Malone

Keep your mouth shut.

Mike

What do you think? He's going to clean up this town?

Malone

Where is this guy? I need to know now, or I'll rat you out for all the shit that I know that you've done in your life. I'm going to turn you over.

Mike

This is a dead man talking to me.

Malone

Is it?

Mike

You're dead.

(BEAT)

Who the hell do you think you are?

Malone

Cut the bullshit! Tell me, or your going to the hospital, or the fucking morgue.
