

UNROAZ

INT. BAR - EVENING

Brad and Jerry step up to a table with beers in hand feeling exhilarated, especially Brad.

BRAD

Here's to yet another crazy day!

They raise their glasses and toast.

JERRY

Another crazy day!

BRAD

Wait... I have a better toast.

(beat)

Here's to you, my friend; may we have more adventures ahead!

JERRY

To more adventures ahead.

BRAD

Oh, remember that insane night in Tijuana. Dude, I'm still wondering how we didn't end up in jail.

JERRY

Yeah, that was insane.

BRAD

Remember when we crashed that party in Hollywood? We had everyone thinking we were famous directors. That was unreal.

JERRY

Yeah, unreal.

JERRY

You remember six months ago? The night you crashed your car?

BRAD

Yeah, I remember.

(CONTINUED)

JERRY

You were unemployed, broke, your girlfriend dumped you, then you got drunk and drove your car over a bridge and into the river.

BRAD

Yeah, yeah, don't remind me.

JERRY

Have you ever wondered why things suddenly got better for you after that night?

BRAD

Yeah, I figured I finally caught a break, starting having some luck for once.

JERRY

It has been a pretty awesome six months, hasn't it?

BRAD

Hell yeah, it's been totally unreal.

JERRY

There's something I have to tell you Brad. I need you to listen very carefully.

BRAD

Okay.

JERRY

You've never been able to remember this, so here goes; I was in the car with you that night.

BRAD

What? No you weren't.

JERRY

Yeah, buddy, I was.

BRAD

What are you talking about

(CONTINUED)

BRAD

Whoa! That can't be right. How can that be.

JERRY

Sorry, I figured it was time you remembered.

BRAD

What are you talking about? Dude, you're just messing with my head. You're just saying all that.

JERRY

No, what you're remembering is all real.

BRAD

Oh my god, Jerry. Why am I remembering this now... You were there. But you didn't... you didn't...

JERRY

I didn't survive. I know.

BRAD

Okay... this is not real. I'm just having some sort of nervous breakdown. This isn't real.

JERRY

Well, actually, you're not completely wrong about that.

JERRY

Now I'm going to give you the final piece. You ready?

BRAD

Oh no, no... this isn't right. Tell me this isn't real.

(CONTINUED)

JERRY
Sorry, Buddy. It's true. You didn't survive either.

BRAD
But what about the last six months?

JERRY
(smiling)
Yeah, now that was an adventure.
(beat)
Look, I knew we were both dead the moment it happened, but you were in such deep denial about the whole thing. So, I figured, meh.. Why not have one last adventure together before we cross over.

BRAD
But what about Vegas, Cali, Tijuana... Was any of that real?

JERRY
No, like you said; it was unreal.
(beat)
Okay, I'm gonna move on now. I would suggest you do the same. I hear being stuck like this actually kind of sucks after awhile.

JERRY
You coming?

BRAD
Hey, Jerry... Jerry, wait for me...

FADE TO BLACK.
