

INT. USED CD SHOP - EVENING

OFFICER HARRIS lifts the crime scene tape and walks under it. He walks over to the CD clerk who looks stunned. Harris pulls out his notebook.

HARRIS

Were you the one working when the robbery took place?

The Clerk nods his head.

CLERK

Yes sir.

Harris looks at him closer.

HARRIS

Are you okay?

CLERK

No man! I just saw a dude get shot. Do you really think I'm okay?

Harris takes a whiff of the Clerk.

HARRIS

Have you been smoking marijuana?

The Clerk gets paranoid.

CLERK

It's for my glaucoma. It also helps me in stressful situations. You aren't going to arrest me are you?

HARRIS

That all depends on you. Did you get a good look at the guy who did the shooting? Was he white, black, tall, short?

The Clerk thinks about it for a moment.

CLERK

I think he was on the shorter side of tall. I'm pretty sure he had lighter dark hair. Maybe in his 20's to 40's. I'm not sure if he was white or black cause he was wearing a mask.

Harris stares at him in disbelief shaking his head.

(CONTINUED)

HARRIS

Let me see if I get this straight.  
We are supposed to look for a guy,  
white or black, in his 20's or 40's  
who is either tall or short, with  
light dark hair.

The Clerk thinks about what Harris just said. He starts to nod his head.

CLERK

Yeah man, that sounds about right.  
Can I go now? I'm still kind of  
freaking out man.

Harris looks over at another officer. He points in that officer's direction.

HARRIS

I'm going to need you to talk to  
that officer over there. We are  
going to have a few more follow up  
questions for you to answer.

The Clerk's eyes grow large and he slowly starts to walk away. Harris walks over to the counter to talk to the Store Manager.

HARRIS

Sir, I assume you have a video  
surveillance system here?

MANAGER

We do, but it hasn't worked in a  
few years. You know, the recession.

HARRIS

Do you know if there are any  
cameras outside the building?

The Manager shrugs his shoulders.

MANAGER

Beats me. I've never really paid  
attention to that sort of stuff.

Harris reaches down for his phone and answers it.

HARRIS

Harris.

He holds up his hand to the Manager and walks away.
