

GREY'S ANATOMY 2 - 1 (AC)

SHE

We should never have been in that O.R. Together today.

HE

What do you mean?

SHE

We're not a team. Any where. And when we get Zola back, before we get that phone call, we need to figure out if we can be one. If we can even be together. So now's the time to say how you feel.

HE

I can't. I'm going to say things that are -

SHE

Oh Derek, just say it. Whatever it is, we can deal with it. I can accept the consequences.

HE

Meredith, you have never accepted a consequence in your life. Since the moment you switched those files you haven't suffered one bit.

SHE

That is not true -

HE

While those around you have lost their jobs and lost their reputations.

2-4

SHE

And I lost Zola.

HE

So did I. Because you do things, without a thought, you just dive in and never give a damn how deep the water is or who you're going to land on.

SHE

I know I messed up, but all of this happened before Zola was even in the picture. Don't you think I've changed.

HE

I don't think you can change. You stole the baby, Meredith.

SHE

I told you why I did that. What do you need? For me to say I'm sorry.

HE

I need you to be sorry.

SHE

Of course I am sorry.

HE

You did it again today in the O.R.

SHE

What, I had a successful surgery today.

GREY'S ANATOMY 2 - 3

3-4

HE

You refused to listen to me.

SHE

I didn't listen to you because I didn't need to listen to you. I knew what I was doing and I was right. You just couldn't trust me.

HE

Why should I ever trust you? Why should I trust you. You ended my trail, you set back my career, you nearly ended your own, you destroyed Richard's. I have no reason to trust you.

SHE

Well then why are you with me?

HE

Because of this (*points to wedding ring*). Because I meant those vows. I promised I wouldn't run. I promised I would love you.

SHE

Even when you hate me.

HE

Even when I hate you. I'm trying Meredith. I am trying but you make it so damn hard.

SHE

I understand. And I don't want you to keep the promise, not if you don't want to and not if you can't trust me with our daughter.

GREY'S ANATOMY 2 - 4

4,4

HE

I do. I trust you with Zola.

SHE

Well you just said -

HE

That's not what I said. I know that you took her to protect her. I know you altered the trail for Adele and Richard. You stood in front of a bullet for me. I know why you do all of it. That's what I love about you.

SHE

And what you hate about me.

HE

Yeah.

SHE

So you can't trust me at work.

HE

No, I can't.

SHE

Well that's easy then. So we just don't work together.

HE

So what are you saying?

SHE

I'm off your service. That's my consequence. If we want to stay together, with or without Zola, we just can't work together.
