MONA

Oh, I feel better now. I should have done this years ago.

LENNY

You feel better? Good. If you have to break every goddamn dish we own to feel better then I'm glad you broke every goddamn dish we own. Now... (beat) I'm going to clean up.

MONA

I'm going to lie down. Where's my valium?!

LENNY

What?!

MONA

Never mind!

LENNY

(PAUSE) I just want to know what set you off this time? Huh?

MONA

I need an excuse to express myself? To show how I feel?

LENNY

You have never expressed yourself by destroying anything let alone everything we own before.

MONA

I spoke to Trish today. She said you wanted to divorce me! I have to hear this from my daughter? You didn't have the guts to say it to my face?

LENNY

Did I use the word divorce?

MONA

She said you said you didn't want to live with me anymore!

LENNY

Answer my question: did I use the word divorce?

MONA

You said you didn't love me anymore!

LENNY

Did I say divorce?!

MONA

...No.

LENNY

Good. I just want that much clear. Now sit down.

MONA

(PAUSE) Lenny?

LENNY

Yeah?

MONA

Why?

LENNY

I don't know. I just want to be alone.

MONA

But I can let you be alone more, if that's what you want.

LENNY

Look: Things change... People change. Whatever. I want out.

MONA

(PAUSE) It's Diane..isn't it?

LENNY

Diane?

MONA

You're in love with Diane Freed.

LENNY

Get outta here.

MONA

Well, you're in love with someone. Someone younger, probably.

LENNY

Wrong.

MONA

Lenny, it's okay. I'm not dumb. These things happen. I'll get over it. I just wish you had done this twenty years ago. Now I'll have to get another fucking face-lift.

LENNY

(PAUSE) I'm in love with no one else.

MONA

No one?

LENNY

No one.

MONA

Okay, then. Schmuck.

LENNY

Yup. I guess I'm a schmuck.

MONA

And now we have no dishes.

LENNY

A dishless schmuck.
