

LADY IN WHITE 1 (CSC)

SHE

Want coffee?

HE

I'll have a cup.

SHE

Still snowing?

HE

It's really coming down.

SHE

I'm sure glad I'm in here and not out in it.

HE

You're lucky.

SHE

Where are you headed?

HE

To Vegas.

SHE

You better have chains or you'll never get over the pass.

HE

I've got chains. I haven't seen you in here before. Have you worked here long?

SHE

About a month.

HE

Where are you from?

SHE

I'm from Tulsa.

HE

Tulsa, Oklahoma?

SHE

That's right.

HE

You don't have an accent.

SHE

I lived in Oakland for fourteen years, that's why.

HE

So, what made you come here? I can't imagine anyone as pretty as you living in this place.

SHE

I needed a change. Sick of the city. Just wanted to get away from it all.

HE

Well, you sure did.

SHE

I like it here. It's quiet and I can think better out here.

HE

What do you do for excitement?

SHE

I haven't had any.

HE

Any what?

SHE

Excitement.

HE

Want to go to Vegas with me?

SHE

Now?

HE

Sure, for the weekend. We'll come back Sunday night.

SHE

Where do I know you from? I've seen you somewhere before.

HE

I don't think so.

SHE

I've seen you or your picture somewhere.

HE

I'm just passing through.

SHE

Look, why don't you stay here tonight and then tomorrow you can be on your way?

THE LADY IN WHITE

All right.

HE

I'm off in five minutes.

SHE

What time do you get off?

HE
