Lorraine closes Al's eyes.

CLARK (O.S.)

AHHHHHHH!

Lorraine looks up just in time to catch the final glimpse of Clark- one moment he's there, then - whisked into darkness-gone! The spray of his blood hits Lorraine in the face.

WINNI

CLARK!?! CLARK!!

MARTIN

What- what was that? Where did it-

Flashlights scan the tunnel. Nothing.

LORRAINE

We have to get out, now.

WINNI

But Clark!

Lorraine wipes her face... *that's a lot of blood on her hand.*

LORRAINE

Now, Winni.

She pulls a lever on the wall. An ALARM BLASTS.

HANKS (ON RADIO)

Lorraine, what happened?
