

Marion Bridge 3 (NA)

Theresa.

You can't be letting her smoke, Agnes.

Agnes

Theresa...

Theresa

I bought her some of that Nicotine gum

Agnes

Theresa...

Theresa

Give her some of that if she's having a craving.

Agnes

Theresa!

Theresa

What?!

Agnes

I think we should go and see dad.

Theresa

Stop it.

Agnes

I think we should. I think we should go see dad.

Theresa

Absolutely not. We're not getting into that, not while mother's still alive.

Agnes

I think it's the right thing to do.

Theresa

Do you? What do you know about the right thing to do? Is this the right thing to do?

Agnes

What?

Theresa

Where did these come from?

Agnes

I saw them at a flea...

Theresa

Oh, so now you're going to lie to me. I know the store by the price tag. You promised me you weren't going to start anything.

Agnes

I'm not starting anything.

Theresa

Did you talk to her? Well? Did you talk to her?

Agnes

Yes.

Theresa

You saw her? Does she know who you are?

Agnes

No.

Theresa

Well, she better not.

Agnes

Or what?

Theresa

Or maybe you can start thinking about making your way back home.
