

PRETTY WOMAN 1 - 1

SHE

Well, you've been pretty tough to take.

HE

My business is almost over so I'm going back to New York. I'd really like to see you again.

SHE

You would?

HE

Yes. Yes I would. I've arranged for you to have an apartment, have a car, have a wide variety of stores guaranteed to suck up to you any time you want to go shopping. Everything's done.

SHE

What else? Will you leave some money by the bed when you pass through town?

HE

Vivien it really wouldn't be like that.

SHE

How would it be?

HE

Well for one thing it would get you off the streets.

SHE

That's just geography.

HE

Vivien, what is it you want? What do you see happening between us?

SHE

I don't know. When I was a little girl my mother used to lock me in the attic when I was bad, which was pretty often. And I would pretend I was a princess trapped in the tower by a wicked queen and then suddenly this knight on a white horse with his colours flying would come charging up and draw his sword and I would wave and he would climb up the tower and rescue me. PRETTY WOMAN 1-2

SHE

But never in all the time that I had this dream did the knight say to me "come on baby I'll put you up in a great condo".

HE

I have to go now. I want you to understand, I heard everything you said. But this is all I'm capable of right now. It's a very big step for me.

SHE

I know. It's a really good offer for a girl like me.

HE

I've never treated you like a prostitute.

SHE

You just did.
