

PRETTY IN PINK 2 - 1

HE

Andie.

SHE

I'm really sorry.

HE

You're gonna go out with that guy? Are you crazy?

SHE

He's really nice. You'll like him once you get to know him. He's not like the others.

HE

No way, Andie. You really piss me off. I can't believe you're this stupid. Those rich kids are all the same. He's gonna use you and throw you away... I would have died for you.

SHE

So, what am I supposed to do? He asked me out. If I hate him because he's got money, then that's as bad as people hating me because I don't.

HE

You can't do this and respect yourself. You just can't.

SHE

I'll make that decision. Okay?

HE

Sure, you can do what you want.

SHE

Look, I'm going to go out with Blaine.

HE

Blaine? The guy's name is Blaine? Get serious.

SHE

Just because I'm going out with him doesn't mean you and I can't still be friends.

PRETTY IN PINK 2 - 2

HE

Oh, is that a fact? Maybe from where you stand, but from where I stand it's a big fat farewell.

SHE

This doesn't change how I feel about you.

HE

Oh, that's very nice. I'm glad. Here's the point, Andie. I'm not particularly concerned whether or not you like me. I live to like you. And I can't like you any more. So when you get your heart splattered all over hell, and you're feeling low and dirty, don't look for this fool to help pump you back up.

SHE

I can't believe you're saying this.

HE

Well, that's just tough shit.

SHE

But you're my best friend. You're too young to be anything more than that.

HE

There's not even a year between us. Ten years from now you'd be glad that I was younger.

SHE

You and I are just friends. What did I ever do to make you think differently?

HE

Guys and girls can't have platonic relationships. It's not natural.

SHE

That's not true. I've known you for years and we never needed to have sex.

HE

Yeah? Well, I guess times are changing, huh?

PRETTY IN PINK 2 - 3

SHE

You can't just drop your best friend because they're going out with someone you don't like. It's not right. You wouldn't do that.

HE

Just try me.

SHE

I don't care what you say. You'll always be my friend.

HE

That's the shittiest thing that anybody's ever said to me.
