

PRIMAL FEAR 1 – 3

GIRL

What's the matter Marty, lost your faith? Looking for a little religion?

MARTY

Now tell me counselor, which one of us is the true headline chaser here?

GIRL

Unlike you, I was assigned to this case.

MARTY

Yeah, think you're up to it?

GIRL

Sell the book rights yet? Or you gonna wait awhile? Wanna see some pictures? Come on, they're kind of cute. I think you'll agree they clearly show the heinous nature of the crime.

MARTY

Small piece of advice. Don't use the word heinous in the courtroom. Half the jury won't know what you're talking about.

GIRL

One small piece of advice. I'm not sitting second chair to you anymore. In case you hadn't noticed, I graduated. I had no reason to leave.

MARTY

You had every reason to leave. How can you still work for them?

GIRL

What, you really expect me to trot out after you Marty? Quit just because you did? I don't need a Mercedes. I don't need to see my face on the evening news.

MARTY

You knew I was coming here didn't you? You knew I would defend him, that's why you took the case. You asked Shaughnessy for this didn't you?

GIRL

Oh please. What's the matter Marty, nervous? Been awhile since you've rubbed up against a woman with a brain?

MARTY

What is the matter here, you tired? You haven't been sleeping well.

GIRL

You're the one with the score to settle Marty. I sleep great at night.
