Felicity turns to see Jake in the door. She FLICKS A LIGHTER and drops it on the BED... the FIRE BEGINS TO SPREAD ON THE SHEETS.

BABCOCK (CONT'D)

Jake PATS out the FLAMES as Felicity races out of the room.

22 INT./EXT. FELICITY'S SEDAN/HIGHWAY MOTOR INN - DAY

22

Felicity leaps into her SEDAN and turns the ignition but it won't budge.

FELICITY

Come on, come on...

She looks up to see -- Murdoch holding her FUEL LINE. She steps out of the SEDAN and smiles at him --

FELICITY (CONT'D)

You could have just said hi.

MURDOCH

Hi.

Beat. They stare at each other longingly --

FELICITY

Hi.

MURDOCH

You look... beautiful.

FELICITY

Thank you. I don't suppose you could put my car back together?

MURDOCH

I need to take you in.

FELICITY

For what?

Murdoch sighs.

MURDOCH

You know.

FELICITY

Suspicion of murder. You think I hurt my cousin? I'm trying to save Robin.

MURDOCH

Let me guess it has something to do with these?

He holds up the BILL WRAPPERS he found in her locker.

FELICITY

How did you even find me? Why are you here?

MURDOCH

I ran the serial numbers on the wrapper. They were stolen during a two million dollar bank robbery. The one you promised me you had nothing to do with.

~~BABCOCK~~

~~Two million, what?~~

Murdoch and Felicity turn to see Jake escorting Babcock out of the hotel -- dollar signs in his eyes.

FELICITY

I'm sorry, Billy.

MURDOCH

For what --

Felicity pulls out MACE and BLINDS Murdoch. He groans as Felicity races away.

JAKE

See? It hurts, right?

Jake cuts her off KNOCKS the MACE SPRAY OUT OF HER HANDS before she can use it again.

JAKE (CONT'D)

Now that's both of us you nearly blinded. I think it's time you and me did a bit of the talkie-talkie.

SCREECH -- Jake looks over to see -- Babcock driving off in his SPORTS CAR. Felicity glares, angry.

FELICITY

Great job, you just killed my cousin.

JAKE

What are you talking about?

FELICITY

She's been kidnapped and Babcock has the only thing that can get her back.

Sc. 3
START

Felicity shakes her head as she looks at a PHOTO OF ROBIN.
Murdoch and Jake watch her.

FELICITY

Babcock got away. He has my pocket watch and unless I get it back, I'm never going to see Robin again. Do you understand that?

JAKE

Just slow down and tell us what's going on.

Felicity eyes Murdoch --

FELICITY

Slow down? SLOW DOWN? Did this idiot just tell me to slow down??

MURDOCH

Felicity -- Your cousin, Robin -- why is she in danger?

FELICITY

She's been kidnapped and is being held ransom.

JAKE

Ransom?

Felicity sighs --

FELICITY

Okay, let's just say that hypothetically I might have found some money that used to be in a bank.

MURDOCH

Felicity -- I thought you'd changed.

FELICITY

Well, I didn't. And that doesn't matter anyway -- we need to focus on Robin. Her life is at stake.

JAKE

The watch -- it's the link to where you stashed the money. How?

Felicity nods.

I buried it in a remote area and left a GPS transmitter so I could dig it up later.

MURDOCH

The GPS receiver is in the pocket watch?

FELICITY

Which Babcock stole.

MURDOCH

Good news is, I'm guessing he has no clue that it leads to two million dollars.

JAKE

Who has Robin?

FELICITY

Whoever it is -- knows about the bank job and the money. If I don't give them the money -- Robin will be sent to me. Piece by piece.

END

JAKE

Murdoch, head back to the Babcock's locker -- there might be something we can use to track him down.

MURDOCH

What about you?

JAKE

I need to find something out. Felicity -- I think I should keep you with my father. He can keep you safe until we figure out what the next step is.

Felicity eyes Murdoch -- He nods "Yes" to her -- On Jake --

EAGLESON

I ran the tests for Jessica. She's a busy person. And I don't think she appreciates her -- Whatever you are -- asking her to run errands for you.
