Scene 4

INT. RESTAURANT - EVENING

Mark and ASHLEY (mid 20's, extremely attractive, wearing an airbrushed shirt featuring a wolf holding a sabre standing on a comet flying out of a black hole) in a nice restaurant.

ASHLEY

...And, then in the next shot, the Uru-Khai isn't holding the sabre. I mean, it's so obvious. The Uru-Khai has the sabre, and then the Uru-Khai doesn't have the sabre.

Mark unsuccessfully tries to make eye contact with the waiter in a bid to request the check.

MARK

(disinterested)
That's crazy.

ASHLEY

I know. Worst. Mistake. Ever.

Mark shudders, really tries to make eye contact with the waiter.

MARK

I've never actually seen Lord of The Rings.

ASHLEY

Ex-squeeze me!? You haven't? We should watch it together.

Mark stretches as if presenting like a turkey. He's doing everything he can to get the waiter's attention.

MARK

Yeah.

(feeding off Mark's negative
energy)

Yeah, I guess I'm fine too.

MARK

No, seriously, go for it.

ASHLEY

No, I'm fine.

MARK

Are you sure?

ASHLEY

MARK

Yes.

Check!
