

INT. SQUAD ROOM - NIGHT

Jason and Robin sit at their desks finishing up their case work. Robin begins closing her files.

ROBIN

Well, that's it for me. The rest
can wait until Friday.

She gets up and starts getting her purse and coat.

ROBIN

Why don't you call it a night?

JASON

I can't. I'm still waiting for a
call from my CI.

ROBIN

When was the last time you went out
on a date?

JASON

What?

ROBIN

You haven't been out since you
broke up with Jackie?

JASON

I really don't have time for that.

ROBIN

Maybe you should make time.

JASON

You mean waste time.

Robin stares at him. Jason knows she won't let it go.

JASON

Look. I didn't mean to say it was a
waste of time to go out, it's
just...

ROBIN

You're afraid? I get it.

JASON

Afraid? Afraid of what?

ROBIN

Being hurt again.

(CONTINUED)

JASON

I wasn't hurt, okay? I was just pissed.

ROBIN

It's been almost a year.

JASON

I'm not comfortable talking about this with you..

ROBIN

Why not? You never had a problem talking to me about Jackie when you were together... and happy. Why can't you talk to me now?

JASON

Jackie leaving me was actually a blessing in disguise. I've been more focused on my work.

ROBIN

No, you've been more obsessed with work.

JASON

Yes, and we've been able to solve most of our cases within 36 hours, and not to mention, our arrests are up 12%.

ROBIN

Alright, alright. I was just starting to get worried, that's all. Besides my friend Andrea was asking about you.

Jason's interest peaks.

JASON

Andrea, the fitness instructor, isn't she engaged or something?

ROBIN

She dumped the guy last summer. Caught him cheating. I told her you were a stand-up guy... but that's alright. I'll introduce her Calvin in VICE.

JASON

Whoa, wait a minute, Calvin Mooch?

(CONTINUED)

ROBIN
He seems like a nice guy.

JASON
He works VICE.
(beat)
Alright, alright. I guess I could
give her a call.

She hands him a card she had prepared in advance.

ROBIN
Here's her number. But don't wait
too long.

JASON
Are you sure she's okay with dating
a cop?

ROBIN
Her dad was a cop, her mother was a
nurse, and her ex was a
firefighter. She gets it.
(pause)
See you Friday.

Robin smiles and exits. Jason looks at the card with
reluctance as we...

FADE TO BLACK.
