

NOW & FOREVER 2-1

ANGELA

The next bus out of here isn't for another four hours. God, I can't wait that long.

JOHN

I'll wait with you.

ANGELA

Thank you... I will miss you

JOHN

Not half as much as I'll miss you. And we both know that.

ANGELA

Write me? I promise I'll write back.

JOHN

I'll write... It's what I do best.

ANGELA

Good. I really want to know how you're doing,

JOHN

Do you have any idea where you're headed?

ANGELA

Los Angeles.

JOHN

Why Los Angeles?

NOW & FOREVER 2-2

ANGELA

I want to act. If I don't make it, I'll do something else, but at least I'll have given it a shot.

JOHN

Don't you have to have some kind of visa to work in the States?

ANGELA

My father was American. I have all his papers and his passport.

JOHN

You've given this a lot of thought.

ANGELA

Yeah, but I never thought I would do it... God, four hours is going to feel like a week. I'm going to get some photos. I need something to show agents when I get there. I'll be right back. Can you order me a muffin?

JOHN

I love you Angela.

ANGELA

I know John.
