

THE OPPOSITE SEX 2 - 1

SHE

We're not talking.

HE

We're eating.

SHE

We used to talk while we ate.

HE

What do you want to talk about?

SHE

I don't know. Anything.

HE

Why don't you just, enjoy your dinner?

SHE

Alright. ... I can't enjoy my dinner. Something's happened. I don't feel connected to you any more. Do you feel connected to me? Please don't give me that look, okay, and please don't say "Oh, Jesus, Carrie".

HE

What do you want from me?

SHE

We're in trouble and I want to talk to you about it.

HE

Why do you want to talk about it? When you hit a rough spot sometimes the best thing to do is just ride through it. Sometimes talking makes it worse. Just let it go.

SHE

I can't let it go. We need to deal with this now.

HE

There's nothing to deal with. You know, Eli's right, sometimes you just over-analyze everything.

**THE OPPOSITE SEX 2 - 2**

SHE

Are you and Eli sitting around and talking about me?  
What do you say to Eli about me?

HE

Eli's my friend, we talk about things, shoot the breeze. Am I on a leash? Can't I have a good time without you?

SHE

Can't you have a good time with me? Would it be so bad to invite me along? You know, you used to think I was pretty good company.

HE

You know, when Eli and I go out, it's a guy thing.

SHE

Eli... dammit David, you're not married to Eli.

HE

Well, I'm not married to you either.

SHE

What's wrong? A phone call costs twenty cents.

HE

"Hello Mommy, can I stay out and play?"

SHE

Oh, grow up!

HE

Alright. Let's not do this. Let's stop this before it turns into a fight.

SHE

It is a fight. Look at me David. Wouldn't you rather someone else were sitting here right now?

HE

No.

THE OPPOSITE SEX 2 - 3

SHE

Be honest. Wouldn't you be having a better time if someone else was here and not me?

HE

No, no-one else.

SHE

I don't believe you.

HE

Yeah, okay, alright, I can imagine another woman here with me. And you know, you're right, I'm having a better time. You want to know why? Because she doesn't tell me what I'm thinking and lead me around on a leash and doesn't hang paintings on my wall, and doesn't drive me crazy with bullshit while I'm eating!

SHE

I knew it! ... Goodbye David.
