

David Aimes **SHE**

Julie Gianni **HE**

Hey Handsome **SHE**

You're following me **HE**

SHE
Just a little bit. I wanted to finish what we were talking about.

HE
And....

SHE
How did it go with out moth girl? Did she turn into a butterfly for you?

HE
Yes, She did

SHE
Yeah?

HE
She did

SHE
Tell by the way your walking that you didn't sleep with her. Let me guess, you didn't sleep with her because it's more fun when you can draw it out. Sex just isn't as good if she hasn't told all her friends that she'd never sleep with you.

HE
You're right on the money Julie.

SHE
She must be exhausted trying to be witty for you all night long.

HE
Hey Julie.....

SHE
Sorry

HE

It's okay

SHE

You just never seem to be there for your friends until they've already given up on you.

HE

I'm not blowing you off...I just... I just want to be alone for a bit. Trust me, I have a lot of things to take care of and if we're friends, which we are, you'll understand

SHE

I'm sorry. I thought we're..... I missed an audition, and it just made me feel bad that you didn't invite me to your party. (beat) You want to make it up to me? Let's go for a drive. I won't tell a soul.

HE

Sure. Why not.

SHE

What's happiness to you David?

HE

What's happiness to me? What is happiness...

SHE

Cause to me, this is happiness. Being with you. There is one thing that bothers me. Why did you...did you tell Brian I was your...fuck buddy?

HE

I didn't tell him that. I didn't say that.

SHE

Okay, When did you stop caring David?

HE

Caring about what?

SHE

About the consciousness of the promises that you made

HE

Promises?

SHE

Yeah the promises

HE

I thought...what the fuck...What are you talking about?

SHE

Do you understand how hard it is to be your buddy? David I love you. I fucking love you. I fucking love you!

HE

Hey whoa...Don't do this

SHE

You fucked me four times the other night David. You've been inside me...

HE

Julie

SHE

.....I swallowed your....that means something.

HE

Slow down

SHE

Four times means something David. Four times.

HE

Stop the car

SHE

I live 24 hours a day with this aching possibility that you might call me to do something.

HE

Lets go to your house to talk this out. I want to see where you live. Just slow down. I want you to stop the car. I want you to stop the damn car!

SHE

Don't you know that when you sleep with someone, your body makes a promise whether you do or not. (beat) Tell me something David. Do you believe in God?

HE

Julie what are you doing? Okay, I love you. I love you!

SHE

If I can't have you, she can't either.
