

Zodiac 6 (OA)

He

Hey, we found Linda. She's in jail. Isn't that great?

She

Why'd you do it?

He

Because she'll be able to identify Rick Marshall...

(BEAT)

What are you talking about?

She

You went on TV. You put yourself out there for him to see.

He

Hon, you're being paranoic.

She

Then who's been calling our house in the middle of the night at least once a week?

He

Nobody.

She

What's it gonna take for you to be done with this?

He

I can't talk about this now. I have to go see Bob Vaughn.

She

Well, that's too bad, because we're gonna talk about this. And when is it gonna be finished? When you catch him? When you arrest him?

He

Be serious.

She

I am serious.

He

I need to know who he is. I need to stand there, I need to look him in the eye and I need to know that it's him.

She

Is that more important than your family's safety?

He

Of course not.

She

Why? Why do you need to do this? Why?

He

Because nobody else will.

She

That's not good enough.

He

Are you done? Can I go?
