In The Valley Of Elah3

(Phone Call)

She

I'll get a plane ticket.

He

No.

She

What do you mean, "No"?

He

I'll bring him home as soon as I can.

She

I need to see him. I need to be with Michael.

He

He's gone.

She

I need to be with my boy.

He

There is nothing left.

She

What the hell does that mean?

He

Joanie, for once in your life, will you take my word for something?

She

For once? For once? I seem to remember me being the one saying no, and you saying it'd be good for his character. Who won that argument, Hank?

He

Mike was the one who wanted to join. I sure as hell didn't encourage it.

She

Living in this house, he never could've felt like a man if he hadn't gone.

(BEAT)

Both of my boys, Hank. You could've left me one.

He

Joanie?

(BEAT)

Joan, please. Joanie, I can't sit here and listen to you cry.

She

Well, then don't.
