HE

What are you doing? Why did you pull over?

SHE

I want you to get out of the car

HE

What?

SHE

You heard me. I want you out of the car.

HE

Why?

SHE

I can't take it anymore. I've had enough. I don't want you around anymore.

HE

What the hell do you mean. Look, just give me the keys and I'll drive

SHE

NO! You're not listening to me. I want you out of the car. I don't want you around me anymore. I have had it.

HE

Oh come on. Are you fucking kidding me?

SHE

No, I am not fucking kidding you. I want you out of the car, and I want you out now.

HE

And where the hell do you want me to go? We are in no where land, as in out in the boonies somewhere

SHE

I don't care. I just don't care.

HE

Where the hell is all this coming from?

SHE

Its been around for a long time. I'm sure you felt it as well, haven't you. (beat.) Look you have been sleeping there for the past four hours. And in those four hours I have been playing in my mind this story, you know. The story of you and me. And its like one of those horrific car crashes. All kinds of people being hurt. Friends, family, kids, you, me. I mean its been that way from the beginning and I just cant take it anymore. I am at the end of my rope.

HE

So now you decide to have a concience.

SHE

You bastard!

HE

Now wait just a second .Let get some things straight here. You were the one that persued me at the office. You knew I was married. Happily, I might add. You were the one to get me at any cost, and now that the piper has called you, now you are saying forget about it. I don't think so sweetheart. When things start getting a bit heated, you decide to jump ship. I'll be damed if that happens

SHE

What do you mean by that?

HE

Just say I have a insurance policy, just in case something like this was going to happen.

SHE

Yeah? Like what?

HE

Do you remember that errand I got you to do for me, a few months back? (beat)
Going to Mr. Merkals office, and getting that file, that was in his desk drawer?

SHE

Yeah, what about it?

HE

Do you remember how you got it?

SHE

I went into his office, and open his drawer and took it out.

HE

Thats not the only thing you open was it?

SHE

What the hell are you talking about?

HE

I think you know.

SHE

What!?

Instant (SK) page 4 of 4

HE

Well what you didn't know, is that Mr. Merkals office has a hidden camera in it.
(beat) Ah, yes, I can see you are starting to get the picture. You didn't think you could get away with it did you?

SHE

So now you are going to blackmail me into staying with you?

HE

Don't call it blackmail. That is such a ugly word, Call it a security blanket.
Anyways, its not that bad, we are a good team you and I. Not bad looking neither, like you use to say

SHE

What have I done?

HE

You've made a bed, now you must lie in it. By the way, what did you do with the \$20,000.00 you stoled from the vault.
