

Just Cause (short) 1/2

Her

Do you have a sister named Beth Greer?

She

Is Beth okay? Did something happen to her?

Her

As far as I know she's fine. It's her baby I'm here about.

She

What baby?

Her

Beth never told you she was having a baby?

She

No, she never told me she was expecting. We kind of lost touch.

Her

When was the last time you saw her?

She

A year maybe. But we've talked since then... whenever she called asking for help.

Her

What sort of help?

She

Money. I did what I could... things are tight. Once she needed a place to stay, but Wayne—that's my husband—he doesn't want her around. Says she's a bad influence on the kids.

Just Cause (short) 2/2

He r

That must have been hard turning her away.

She

She's my little sister, I mean... if I don't help her, who will?

He r

Nicky, that's her son, he needs help now. They're going to put him in foster care if his family won't take care of him. And you're his only other relative.

She

I'm sorry... I wish I could help him, I really do...

He r

I know it's a big commitment but there isn't anyone else.

She

You don't understand. Wayne and I split up and just got back together. We're trying to work things out, plus we got our own kids to worry about.

He r

Nicky needs a home.

She

I don't see how we'd manage.

He r

Please, Leslie, you don't have to decide right now. Just think about it. Search your heart for what's right. That's all I'm asking.
