

MOM & ME (TL) 1-1

CLASS USE ONLY

Mother

Terry?

Terry

Yeah Mom.

Mother

What are you doing?

Terry

I'm making you some dinner. Are you hungry?

Mother

No. Nothing tastes good anymore.

Terry

Well, you should eat something. Here, I made a stir fry. Nice and healthy.

Mother

Where did you learn to cook like this, you're quite a bachelor.

Terry

It's easy, you just chop it up and fry it.

Mother

What's in there? It's spicy.

Terry

A bottle of stuff I got at Safeway, you just pour it in. Do you like it?

Mother

It's okay.

Terry

Did I cut up the pieces small enough?

MOM & ME (TL) 1-2

Mother

Yeah, I just can't eat.

Terry

Okay, maybe later.

Mother

Do you remember the time you clubbed me with a stick?

Terry

Mom I didn't, "Club you with a stick."

Mother

You didn't want to come home. You ran away and I had to run after you. I picked you up and you clubbed me right on the head with a stick.

Terry

Mom, I was like, three years old, and it was a twig, not a stick. You always told that story in front of my friends and embarrassed the hell out of me.

Mother

You're a good boy.

Terry

Thanks.

Mother

You were always a good boy.

Terry

Do you want something to drink?

Mother

A glass of water, not too cold.

MOM & ME (TL) 1-3

Terry
I'll put this food away for later.

Mother
Terry?

Terry
Yeah.

Mother
Terry!

Terry
What's wrong?

Mother
Nothing...Who's here?

Terry
What?

Mother
Who's here in the bedroom?

Terry
It's just you and me.

Mother
Oh.

Terry
Why?

Mother
I thought there was somebody else.

Terry
What do you mean?

MOM & ME (TL) 1-4

Mother

I thought I saw something.

Terry

What did you see?

Mother

A ghost

Terry

Who was it?

Mother

It was daddy.

Terry

Mom, if you want to go see dad, you can go.
I'll be alright. I'll be OK. I can look after
myself. So if you want to see dad, that's okay
with me.

Mother

Alright.

Terry

I love you mom.

Mother

I know. You're such a good boy. The best
there ever was.
